

# NextGen Pledge by House of Representatives

I, \_\_\_\_\_, pledge to the taxpayers of the \_\_\_\_\_ district of the state of \_\_\_\_\_, and to the American people that:

- I promise to help eliminate student debt in ten years, first by making them interest free.
- I promise not to stay in the House of Representatives for more than four terms.
- I promise not to take more than \$1,000 per person and will not take any corporate or PAC funds for my campaign.
